

## Grease separator EasyClean free NS 20, Direct, right

## Article information

Item no.: 93020-01-D-R GTIN: 4026092105207 Price group: 60

## **Advantages**

- Direction of flow can be changed thanks to selfsealing interchangeable hubs (NS 2- NS 10)
- Low-maintenance operation
- Odour-reduced disposal with the tank closed

## Description

Voriont

The separator for greasy wastewater is suitable for free-standing set-up in frostprotected rooms and comes without metallic components in the tank. The collecting tank made of permanently resistant polymer (PE) is equipped with an integrated sludge trap and has a tapered base for fast and clean disposal. Two odour-tight covers with quick-release closures make easy access possible for cleaning and maintenance work. A direct disposal pipe socket is available for odourreduced manual disposal. After disposal, a maximum of 3 litres residual sludge volume is left in the tank. 20 year polyethylene warranty.
